

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

## GENERAL PLAN.

In the following Catalogue the books are first arranged alphabetically under the names of their authors, so far as given or known; and these titles are also occasionally repeated, together with those of anonymous works under the most prominent word of the subject.

This alphabetical Catalogue is followed by an Index, in which most of the titles are classified according to their subjects under ten different general heads; so that the inquirer, who knows either the name of the author of the book sought for, or its general nature, will be able easily to ascertain its number—*without asking the Librarian.*

---

## REGULATIONS.

1. LIBRARY hours from 1½ to 2 P. M., when no one can be admitted behind the railing except the Librarian and his assistants.
2. Three volumes only may stand charged to the same name.
3. No person may draw books upon the name of another, but by his written permission.
4. Books *must, in all cases be charged*, before they are taken from the room.
5. Encyclopædias and unbound Periodicals, may be retained from the Library one week only; all other books, two weeks, except when recalled.
6. Books may be renewed *once only*, before returning to the shelves, and for this purpose must be brought into the Library.
7. Persons returning books, must *see* them credited by the Librarian, or they will be held responsible.
8. Smoking in the Library, is not allowed.
9. Members of other Societies in College, are allowed the same privileges and are subject to the same rules as Calliopeans.
10. No book belonging to the Library, may be taken out of the town of New Haven.

## PENALTIES.

1. Persons retaining books, for a longer time than above specified, shall be fined three cents a volume for every day of such retention.
2. When the books have been recalled by notice, the above fine shall be increased to ten cents a volume.
3. The fine for taking books from the Library uncharged, is Five Dollars, with an addition of *ten cents* a day, until paid.
4. If books are injured or lost, the person to whom they are charged, shall be held responsible.
5. Persons incurring a fine, will not be permitted to draw books until the fine is paid.
